The Hire and Rental Industry Association (HRIA) represents the rental and hire industry in Australia through the promotion and support of the industry.

Education and Training

HRIA offers a variety of hire and rental specific training programs for owners, managers and employees including two recent initiatives Young Professionals Network and Women in Hire.

Safety & Risk Management

One of the main aims of the Association is to continually improve safety and develop product training and instruction for end users.

Business Support

HRIA support services include insurance and risk management advice and packages, industry advice lines on HR, workplace relations, accounting, and business advisory services as well as master agreements among others.

Networking

The HRIA hosts seminars, workshops, yard tours and regular networking activities across Australia. We also host the annual HRIA Convention and Exhibition which all members are invited to attend.

Industry Representation

The HRIA provides national and state representation on key industry issues and standards. The Association also flags and updates members on legislative changes impacting hire operations.

The HRIA represents the rental and hire industry in Australia through the promotion and support of the industry. This is done through the wide range of services and benefits made available to members of the HRIA.

These services and benefits focus on the areas of Education & Training, Safety and Risk Management, Business Support, Networking and Industry Representation.
