

WHY HIRE FROM A HRIA MEMBER

By choosing to hire from a HRIA member you are ensuring the best possible hire experience.

- HRIA Members will recommend the right equipment for your job
- HRIA Members can provide instruction on use of the equipment
- All equipment hired by HRIA members is thoroughly checked and maintained prior to each hire and electrically tested and tagged where needed
- HRIA members follow all Workplace Health and Safety requirements and have access to the latest safety legislation – ensuring the highest standard of safety for employees and hirers of equipment
- Hiring from an HRIA member ensures equipment reliability and efficiency
- HRIA members are committing to a code of ethics

The Hire & Rental Industry Association Ltd is the key national industry body representing the \$8bn hire and rental industry in Australia. HRIA members cover a wide range of equipment, including general plant hire, DIY hire, portable buildings, construction, access and events.
